

# MILENIJA JOVIČIĆ

## FRONTEND WEB DEVELOPER

### ABOUT ME

I am a frontend web developer looking for opportunities to grow my experience in a stimulating environment and add value to it. I am hard-working, quick to learn, resourceful with strong communication skills.

### EXPERIENCE

#### JUNIOR WEB DEVELOPER

RESTOP 3 months, 2022

##### Internship

- Used React to make single page websites
- Made functional reusable components with MUI and without
- Implemented page routes
- Learned to organize code
- Refactored and cleaned up poorly organized legacy code

#### FEAST ROADHOUSE

A mock website for a restaurant
