MILENIJA JOVIČIĆ

FRONTEND WEB DEVELOPER

ABOUT ME

I am a frontend web developer looking for new opportunities to grow my experience in a stimulating environment and add value to it. I am hard-working, quick to learn, resourceful with strong communication skills.

EXPERIENCE

JUNIOR WEB DEVELOPER

RESTOP   October 2022 - December 2022

Internship

- Used React to make single page websites
- Made functional reusable components with MUI and without
- Implemented page routes
